Link your Account to your Customer Profile

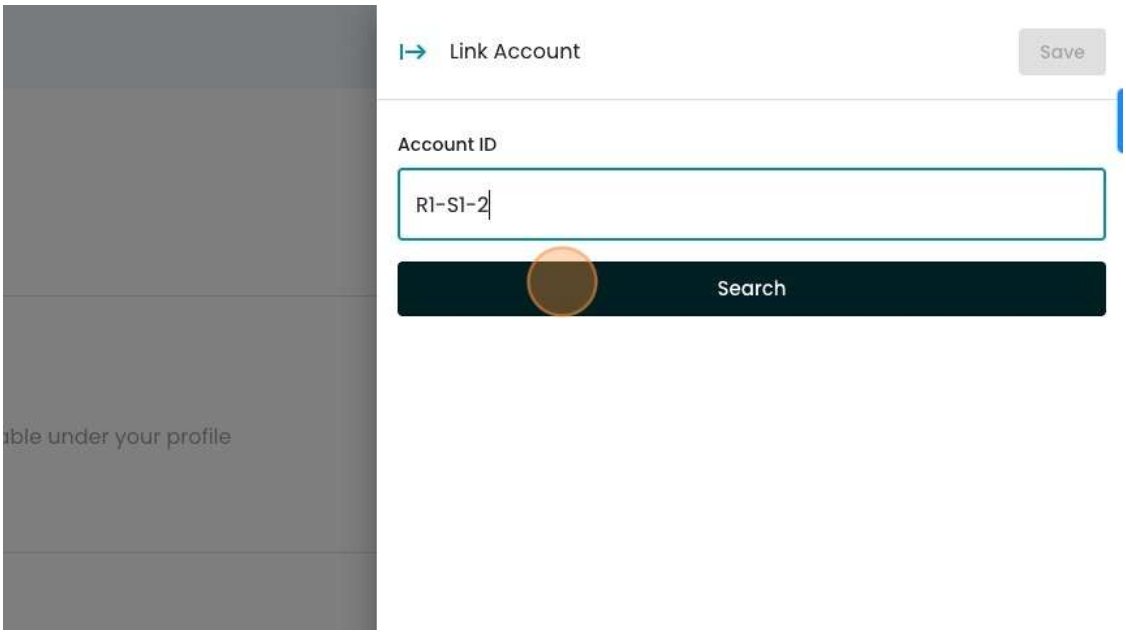

1. When signed in to your new customer profile, click "Add account"

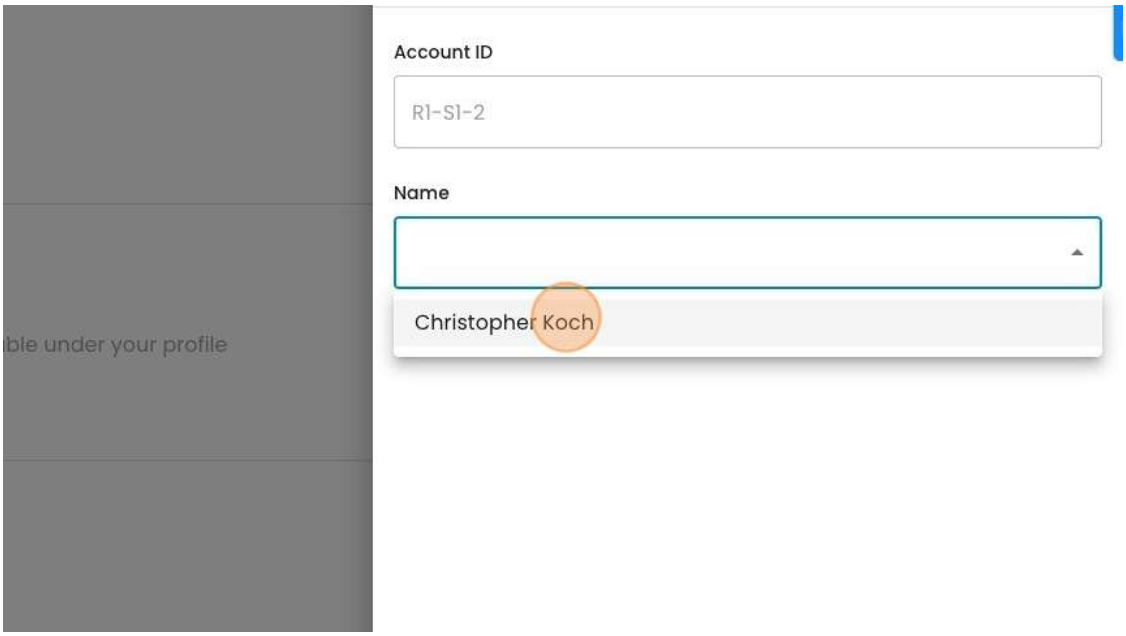

2. Click the "Account ID" field, and type in your account number you see on your regular statement. If you cannot find this information, please call 913-856-7375 or email customerserivce@water7.com.

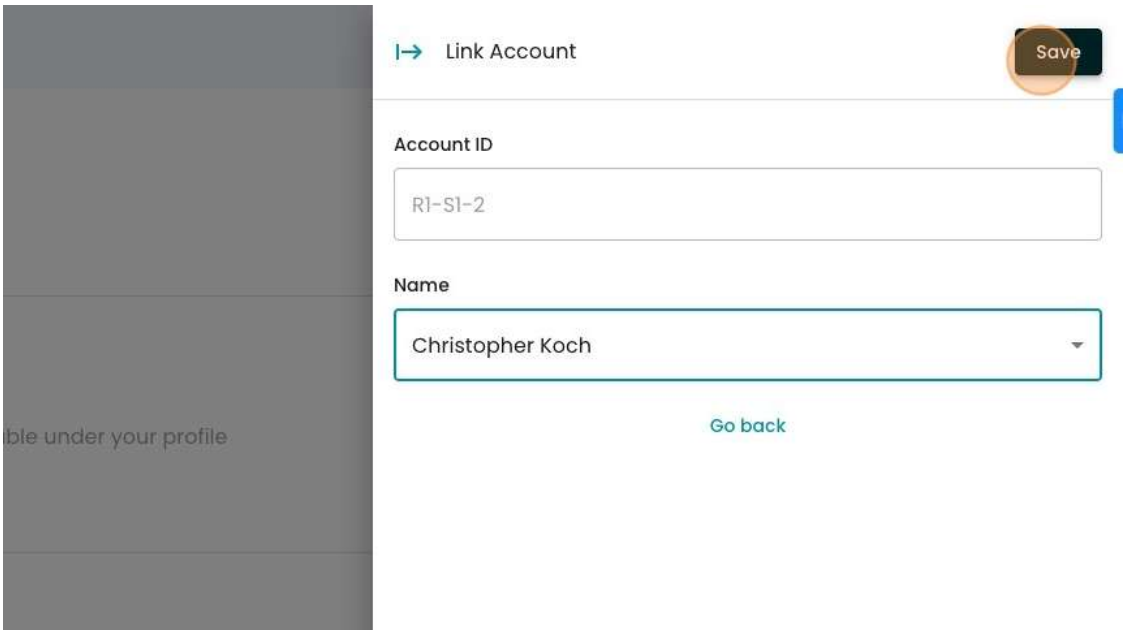

3. Click "Search". Your account/location number will be four digits with some four digits followed by a “-“ and a letter.

4. Look for your name in the dropdown menu. If you don't see it, please call 913-856-7375 or email customerserivce@water7.com.

5. Click "Save"

6. If you have multiple accounts, please follow the above instructions for each account.
